RE: FOIA Request, Control No.: FI-2019-0085

Dear Ms. Best:

This letter is in response to your Freedom of Information Act (FOIA) request, dated May 29, 2019, sent to the U.S. Department of Transportation (DOT) Office of Inspector General (OIG). You requested: "a copy of the list or printout or database listing of Inspector General investigations closed/reports completed during calendar year 2018."

Enclosed you will find a total of 9 pages of documents responsive to your request, these 9 pages are a list of DOT OIG investigations that were closed during calendar year 2018. Some information was redacted or withheld pursuant to exemptions provided by the Freedom of Information Act (5 U.S.C. § 552 (b)(6), (b)(7)(c) & (b)(7)(e)).¹ We are producing the 9 pages with redactions.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

You may contact the DOT OIG FOIA Office to discuss any aspect of your request at:

FOIA Requester Service Center
Office of Inspector General

¹ Exemption 6 protects names and any data-identifying individuals if public disclosure would be a clearly unwarranted invasion of privacy. Exemption 7(C) protects personal information in law enforcement records. It prevents the disclosure of law enforcement information that could reasonably constitute an unwarranted invasion of personal privacy. Exemption 7(E) protects techniques/procedures used in law enforcement investigations or prosecutions from disclosure. It prevents the disclosure of guidelines for law enforcement investigations or prosecutions if disclosure could reasonably be expected to risk circumvention of the law.
